## Who Are We?

We are Long Island's only cross-country ski club. We give members opportunities to experience cross country skiing and enjoy other outdoor activities throughout the year in a spirit of camaraderie and fun. We welcome newcomers of all abilities and ages. If you have never tried cross country skiing before we will help you get started. If you are an experienced cross country skier we will provide you with opportunities to do whatever level of skiing you desire. Come to one of our meetings and see what we are about! ***ALL WELCOME!***

## Skiing

When there is snow on Long Island you'll find us at such places as Bethpage State Park, Muttontown Preserve, Connetquot State Park, and even in the streets of your town!

Each season we schedule trips to places like Lapland Lake—a family owned ski center in the Adirondacks with trails for all levels of skiers; Garnet Hill Lodge - near Gore Mountain; Silver Star Mountain in British Columbia; Far Hills Inn in Val Morin, Quebec; Stowe and Craftsbury, Vermont; and Jackson, New Hampshire. We are adding new trips all the time.
